Warnings against investment offers marketed through fraudulent websites

We have been informed that unlawful marketing and investment services are offered through the websites <https://sector-fusion.com> and www.sectorcapitals.com. Sector Capital AS has no connection to these websites, and the mentioned websites are using contact information and other organisational details for Sector Capital AS and Sector Asset Management AS without permission.

These matters have been reported to relevant authorities.

For the sake of good order, we would like to remind our business partners that the only legitimate and official websites for the Sector Asset Management group and its affiliates are: www.sector.no, www.incentive.com, and www.cusanacapital.com.
